

Neptune Bulk Terminals (Canada) Ltd., a leading multi-product bulk material export facility located on the North Vancouver waterfront is seeking individual(s) to join our Maintenance team. The successful candidate(s) will be responsible for motivating and directing crews in the field; have strong communication and multi-tasking skills and is available to work three shifts, seven days a week in a unionized environment.

MAINTENANCE MECHANICAL FOREMAN (Up to 3 Positions)

You have a Millwright Trades Qualification (T.Q.) or equivalent from a provincially recognized post-secondary institution. Demonstrating computer literacy and training skills, you also have experience with materials handling equipment in an automated setting. Ideal candidate(s) have previous supervisory experience in a unionized heavy industrial setting and are familiar with maintenance work order systems. Preference will be given to candidates with Heavy Duty Mechanic experience.

Candidates must also have a minimum 5 years supervisory experience, proven ability to motivate and direct crews in a safe, efficient and cost effective manner while developing and maintaining effective relationships with other supervisors, management and third parties. A strong commitment to safety, training, and environmental protection is essential.

Candidates will undergo a thorough employment assessment including formalized testing, interviews and reference checks. The successful applicant(s) will also be required, as a condition of employment, to undergo an independent Company sponsored medical examination. Join a winning team and send your resume by March 29, 2019 to:

c/o Human Resources
